Colfax counties to immediately cooperate with the Automobile Club of Southern California, through its representative, C. E. McStay and Douglas Mitchell, in sponsoring the route of the Ocean to Ocean highway from the Colorado state line to Albuquerque, through their respective counties.  
We are much pleased to assure the road boards in question that the proposition of the Automobile Club of Southern California to sign this transcontinental highway at \$4.00 per mile, is a bona fide one, and that the club promoting the project is responsible and has a reputation of having the most complete system of signposts, road and maintenance of such signs of any other organization in the United States.  
We believe the signing of the highway from a junction with the Lincoln highway, at Julesburg, Colorado, and from Kansas City over the Ocean to Ocean route to Los Angeles, will bring thousands of dollars into our respective counties, and will be a most profitable investment to those counties.

**MAY GET A JOB INSTEAD OF A JAIL SENTENCE**

If Henrion Consents to Having His Wife Receive His Wages, He Will Be Freed by Court.

Sympathizers, who wish to help his wife, may save Henry Henrion, of 625 North Fourth street, who struck a girl while in a drunken rage last night from serving 30 days in the county jail.  
Henrion, who is a healthseeker, hasn't been working for several months, according to neighbors, compelling his wife to maintain the family by washing clothes. Eight months ago he took the pledge.  
He fractured it yesterday, and went home last night, primed for trouble. According to the police he hit Marguerite Powers, who roomed at the house, and when his wife interfered he punched her, discolored her eye.  
A passerby, attracted by the uproar, subdued and held Henrion. Powers came to the house and started away with his daughter. Henrion started after them, the police say, and Powers knocked him down. At that juncture Officer Byrne arrested Henrion, and he was locked up. This morning Judge Craig sentenced him to thirty days in jail, but friends began to

plan for some arrangement that would benefit the family more than Henrion's incarceration. It is hoped to get the man a place on a farm, where he will be paid \$2 a day for his work and board, and if he agrees to take the place and consents to having the wages sent intact directly to his wife, Judge Craig will suspend the sentence.

**FINED AND JAILED FOR THREATENING ANOTHER WITH KNIFE**

Arguthia Terhila was sentenced to pay a fine of \$15 and serve 15 days in jail by Police Judge George H. Craig this morning. He was arrested last night by Patrolman Charles Mainor, upon complaint of George Whafar, caretaker of Robinson park, who accused him of threatening him with a knife. He was also charged with using abusive language toward A. Marten.

**ROCK AND WHIP-BUTT FIGURE IN CLASH BETWEEN ANGRY MEN**

On a charge of assault preferred by George Nicola, W. B. Rayburn of 193 William street, was arraigned before Justice George H. Craig today. He pleaded guilty, but following a statement by him the court suspended sentence pending good behavior.  
The men clashed as a result of a quarrel over children. It coincided last evening when the two men met on the street in Rayburn hitting Nicola with a rock, while Nicola broke the butt end of a whip loaded with lead over Rayburn. It appeared, the court said, as if both men were equally to blame, so sentence on Rayburn was withheld.
